

Angolan Plastic Fiber Optic Patch Cord Manufacturer

Article Overview

Plastic fiber optic patch cords are available in Angola through local distributors and international suppliers with operations in the country.

Local Suppliers and Distributors

- Consultit Angola Consultit Angola is a major technology retailer in Angola offering a wide range of fiber optic products, including patch cords and pigtails. They provide competitive pricing and can handle customized projects, making them a practical source for plastic fiber optic patch cords in Angola .
- KX Optical KX Optical specializes in fiber optic components and has a presence in Angola. They supply fiber patch cables, PLC splitters, adapters, optical cable cross-connection cabinets, FTTH terminal boxes, and splice closure boxes. Their products include environmentally friendly, high-quality fiber optic patch cords suitable for local telecom and networking applications .

International Manufacturers Supplying Angola

- Unisol Communications Unisol manufactures plastic optical fiber (POF) patch cords designed for short-distance, high-speed data transmission. Their cables use a PMMA plastic core with fluorinated polymer cladding, offering robust, flexible, and user-friendly solutions for plug-and-play environments. While based internationally, their products are suitable for industrial, office, and residential networking setups in Angola .
