Australian Power Equipment supply high voltage equipment to industries throughout Australia. We are the Agents for Untel, B&D, Leistung, & others and can fulfil orders for new equipment, for sale or hire.

Article Content

Electrical Spares

Welcome to Electrical Spares Quality, pre-used high voltage electrical equipment and parts. Quality, pre-used high voltage electrical equipment and parts. Browse Our Electrical Equipment We Ship

AGM Electrical Supplies | Leading Electrical Wholesaler

AGM Electrical Supplies is one of the Australia's Leading Electrical Wholesaler with a complete range in stock of cable, INDUSTRIAL SWITCHGEAR, LED Lights,

Complete Guide to Low Voltage Switchboard Rescue

Learn what an Australian Low Voltage Rescue Kit includes, required standards, testing intervals, and training to stay safe and compliant.

The complete portfolio for low-voltage power distribution

Making efficient use of energy The consistent concept behind the communication-capable components of our low-voltage power distribution range forms a sound basis for the measurement, indication,

Home | Aus Power Equip

Australian Power Equipment provide supply low, medium and high voltage equipment to clients across the Power Generation, Infrastructure and Resources

CHINT, a global leading smart energy solutions

Legend Corporation has been officially appointed as CHINT's master distributor of low voltage (LV) products in Australia and New Zealand,

PENTA Australia Hylec TMAC

Explore a comprehensive lineup of insulated tools, switching gear, PPE, and network components — all rigorously tested, quality-assured, and

SIEMENS | Blackwoods

Siemens has the highest quality and broadest range of low-voltage electrical and automation products in the world. APS Industrial is the master distributor for the

Wire and Cable manufacturer Australia

About Us World Wire Cables Group World Wire Cable is a cable manufacturer and distributor for more than two decades in the Australian industrial electrical cable

Electrical Products, Solutions & Accessories

IPD is a leading supplier of compliant & innovative electrical products & accessories. Custom solutions engineered & manufactured in Australia. [Click here.](#)

CHINT Appoint Legend as Master Distributor For Low Voltage

CHINT Appoints Legend Corporation as Master Distributor for Low Voltage (LV) Products in Australia & New Zealand Sydney, Australia, August 4, 2025 - CHINT is proud to announce the

Majesty Electrical | High Voltage Electrical Solutions

Majesty Electrical delivers expert high-voltage electrical infrastructure solutions across Australia, specialising in substations, transformers, and power systems

MV Switchgear | power equipment | Australia

LW30 252kV SF6 Circuit Breaker LW30-252 outdoor high-volt SF6 circuit breaker, three-phase AC 50Hz outdoor switchgear, is applicable for the control &

Industrial Electrical & Automation Supplies

LAPP Australia stocks a wide range of ÖLFLEX® control & power cables, UNITRONIC® data cables, ETHERLINE® ethernet cables, SKINTOP® cable glands, SILVYN® conduits and EPIC® industrial

Identifying Supply Quality Problems

Distribution transformers transform high voltage to the low voltage (230/400V) that is reticulated for general use within households, shops, businesses, factories, hospitals, schools and other smaller

CBi-Electric Australia

CBi-electric Australia provides trusted, tough and reliable products for the protection, control and conditioning of low voltage electrical installations.

Colterlec | Delivering Electrical Engineering Innovations

Colterlec has been delivering quality engineered electrical product solutions across a range of industries for over 30 years including manufacturing, mining,

High Voltage & Low Voltage Systems: Design & Expertise | LK ...

For businesses and industries across Australia, LK Power stands out as a leading provider of electrical engineering services, specializing in high voltage and low voltage electrical systems. Our team of

Low Voltage Electrical Distribution Products

From circuit breakers and buses to enclosures, panel boards and switchboards, we offer a full range of safe, reliable solutions for low-voltage electrical distribution applications.

Low-voltage power distribution & control systems

Improve reliability, increase efficiency and enhance safety with a broad portfolio of low-voltage electrical equipment that distributes, monitors and manages power throughout your facility or operation.

Critical Equipment | Power Equipment | Australia

Australian Power Equipment can source or supply fit for purpose equipment in the low, medium and high voltage sectors. We can supply long or short term

Electrical – SRS Power

Local Expertise, leveraging over 30 years of experience in low-voltage electrical switchgear. Offering a complete solution for various electrical equipment types.

Electric Vehicle Low Voltage Distribution Equipment

Electric Vehicle Low Voltage Distribution Equipment NHP's Low Voltage Power Distribution and Protection range has you covered for all your EV infrastructure

Low Voltage | Australian Electrification Industries

We proudly supply a meticulously curated range of Low Voltage products, sourced from the world's most innovative manufacturers, ensuring robust performance and foundational support for Australia's vast
