

Barbados steel mill cable tray prices

Article Overview

Steel cable trays in Barbados, including mild steel, galvanized, and stainless steel, are available from local suppliers with prices varying by material, type, and length.

Types and Suppliers

- **Mild Steel Cable Trays:** Available from suppliers like Brilltech Engineers, offering affordable options suitable for general industrial and commercial use .
- **Galvanized Steel Cable Trays:** Coated with zinc for rust resistance, these trays are durable and ideal for harsh environments. They are commonly sold in ladder-type trays with standard lengths of 2.4 meters .
- **Stainless Steel Cable Trays:** Known for long lifespan, minimal maintenance, and sustainability, stainless steel trays are cost-effective over time and offered by suppliers such as Jeetmull Jaichandlall .

Price Considerations

Cable tray prices in Barbados depend on several factors:

- **Material:** Stainless steel is generally more expensive upfront than mild steel but offers better durability and lower maintenance costs .
- **Tray Type:** Ladder, perforated, and wire mesh designs affect cost; wire mesh trays are highly impact-resistant and suitable for heavy loads .
- **Length and Size:** Standard trays are typically 2.4 meters long, and prices are often quoted per meter .
- **Customization:** Custom sizes or specialized coatings may increase the price .
