

Brunei Secondary Distribution Box Supplier

Article Overview

Five Suns EcoEnergy & Telecom Systems (FSE) and TSK SDN BHD are notable suppliers of secondary distribution boxes in Brunei.

Key Suppliers and Manufacturers

1. Five Suns EcoEnergy & Telecom Systems (FSE) FSE provides a range of electrical distribution solutions, including outdoor telecommunication cabinets, LT distribution panels, and secondary distribution boxes. Their products house contact breakers, earth leakage units, timers, and other essential components for building electrical systems. FSE also serves as a supplier and exporter of power distribution equipment in Brunei, emphasizing quality fabrication and eco-friendly solutions . 2. TSK SDN BHD TSK SDN BHD is a leading distributor of lighting, electrical, and data-communication products in Brunei. Established in 1979, the company offers a variety of electrical distribution equipment, including secondary distribution boxes, and focuses on providing innovative, cost-effective solutions with strong customer support . 3. International Manufacturers via Local Agencies Companies like Vill-Impex Ltd. act as local agents for European manufacturers such as GEWISS, providing access to high-quality switchgear, low-voltage distribution systems, and automation panels. These partnerships allow Brunei-based clients to source certified and reliable distribution boxes from established international brands .

Considerations for Selection

- **Compliance and Certification:** Ensure the distribution boxes meet local standards and are approved by the Department of Electrical Services (DES) in Brunei .
