

Colored Silicone Fiber Optic Winding Tube

Overview

Easily identify wiring at a glance with 10 different colors for fiber optic protection and electrical wire protection applications! This product is a "Color Silicone Tube" developed and standardized for the protection of optical fiber core wires. It excels in flexibility and heat resistance. Please view the Technical Specs. Custom sizing is available, please inquire for details. High Temperature Resistant Transparent Silicone Winding Tube Spiral Tube Bundle Tube Wrapped Wire Tube Winding Tube Fiber Optic Protection Tube Environmental Protection Factory direct sales, large inventory, ready stock, large quantity and excellent price The seller's contact number:13553801431Miss. Transparent Silicone Winding Tube, Spiral Tube, Fiber Optic Protective Sleeve, Wrapped Tube, Winding Tube, Wire Harness Tube, High Temperature Resistance and Environmental Protection The link took one piece for 1.0m! The silicone winding tube is used to protect ground center lines and communication.
