

Construction of the Data Center IDC for the Democratic Republic of Congo

Overview

Raxio Group has inaugurated a 1.5 MW data center in Kinshasa, capital of the Democratic Republic of the Congo (DRC). Backed by \$30 million of investment, the data center spans 1,542 sqm (16,598 sq ft) and can house up to 400 racks. However, despite its wealth in natural resources, the DRC has historically lagged in technological infrastructure. 5MW IT power delivered by Raxio's Tier III data centre in DRC. Established by the Raxio Group, the nation's largest data centre comes with Tier III accreditation from the Uptime. Mumbai, 28 August 2024: Sterling and Wilson Private Limited, India's leading engineering, procurement, and construction (EPC) companies, proudly announces the handover of the Greenfield Data Center for Raxio Group in the Democratic Republic of Congo.
