

# Electric Distribution Box Manufacturer in Nepal

## Article Overview

Nepal has several reputable manufacturers of electrical distribution boxes, including Electra Electric, Abhiyan Engineering Nepal, and Nijsha Enterprise, offering solutions for residential, commercial, and industrial applications.

### Key Manufacturers

Electra Electric – Based in Biratnagar, Electra Electric produces high-quality distribution boxes certified to international standards. Their products are designed for safe and organized power distribution, suitable for various electrical installations, and they emphasize reliability and customer service. Abhiyan Engineering Nepal (ABE) – Specializes in designing and fabricating electric control panel boxes for electromechanical systems. Their panels integrate PLC controllers, VFDs, fuses, and circuit breakers, ensuring precise automation, safety, and efficient power management. Nijsha Enterprise – Offers heavy-duty power distribution boxes for commercial and industrial use. Their modular designs allow easy expansion, and advanced safety features like ground fault and circuit breaker protection ensure compliance with industry standards. They provide a wide range of sizes, configurations, and accessories, including surge protection and remote monitoring systems. Vistaar Trade – Supplies distribution boards such as the Goldmedal Air Double Door Distribution Board, available in TPN (Triple Pole and Neutral) and SPN (Single Pole and Neutral) configurations. These boards are IP43 rated, providing protection against dust and moisture, and are suitable for both residential and commercial applications.
