

Electrical distribution box manufacturer provides drawings

Overview

We are offering a comprehensive, fabrication-ready CAD file for a standard electrical distribution box. This isn't just a simple layout; it's a detailed mechanical drawing intended for electrical engineers, panel builders, and fabricators. Our range covers flush-mounted and surface-mounted designs, 2 to 144 modular positions, IP40 to IP66 protection. Are you designing a control panel for a new machine or a sub-panel for a building?

Our Standard Power Distribution Box drawing is the essential, universal blueprint you need. We have been providing quality OEM/ODM service to customers all over the world for many years. Our products are widely used in various industries, such as solar energy, wind energy, data center, communications, new energy. EWJ are a professional metal enclosure manufacturer providing electrical enclosures, aluminum enclosures, stainless steel junction boxes, and IP65 outdoor enclosure solutions. From prototype to mass production, we support OEM metal enclosure customization with drawings.
