

Fiber optic cable reels available for sale

Article Overview

Fiber optic cable reels can be purchased from specialized suppliers, online retailers, and manufacturers offering a variety of sizes, materials, and tactical or industrial-grade options.

Recommended Suppliers and Retailers

- Fiber Savvy – Offers high-quality fiber optic cable reels made from impact-modified polymer, suitable for commercial and military use. Features include stackable design, flip-out handles, connector cradles, and built-in dividers. Custom colors and sizes are available, and customer support is provided for project-specific guidance (fibersavvy.com) .
- NARCo – Provides custom steel, plastic, and wooden reels with diameters ranging from 3 to 96 inches. Reels are engineered for secure storage and transportation, with options for company logos, export packaging, and ready-to-assemble kits. Ideal for telecommunications, data centers, and industrial applications (narco.us) .
- Primus Cable – Supplies mobile and durable fiber optic cable reels designed to maintain proper bend radius and protect cables from damage. Their reels are suitable for networking projects and tactical deployments (primuscable.com) .
- Adorama – Offers tactical fiber optic cable reels for professional audio, video, and broadcast applications. Products include crush-resistant, flexible reels in various lengths and channel configurations (adorama.com) .
- Amazon – Provides a range of fiber optic cable reels, including polypropylene and portable models suitable for smaller-scale or travel applications. Options vary in size and capacity (amazon.com) .
