

Fuyu Large Span Cable Tray Manufacturer

Article Overview

Fuyu is a manufacturer of large span cable trays, offering customizable, high-load solutions for industrial and commercial applications.

Fuyu Cable Tray Company is listed among suppliers and manufacturers of cable trays, including large span designs suitable for heavy-duty cable installations. Large span cable trays are designed to support long-distance transmission cables and heavy loads, making them ideal for sectors such as power distribution, water power, railways, airports, metro stations, and industrial facilities. These trays can accommodate multiple branch lines and are engineered for high mechanical strength with minimal maintenance.

Product Materials and Finishes

Fuyu and similar manufacturers offer cable trays in a variety of materials to suit different environments and load requirements:

- Stainless steel (304/316), aluminum alloy, and FRP (fiberglass reinforced plastic)
- Finishes include pre-galvanized, hot-dipped galvanized, and powder-coated options
- Widths typically range from 200mm to 800mm, heights from 60mm to 150mm, and lengths up to 6000mm

Customization and Services

Fuyu manufacturers provide customized solutions based on project requirements, including:
