

How much does it cost to customize mesh cable trays in the Maldives

Article Overview

Mesh (wire basket) cable trays in the Maldives typically cost between \$2 and \$25 per meter, depending on material, size, and supplier.

Price Range and Factors

The cost of a mesh cable tray varies based on several factors:

- **Material:** Steel wire mesh trays are the most common and affordable, while stainless steel or aluminum options are more expensive due to corrosion resistance and lightweight properties .
- **Size and Length:** Standard lengths are usually 2.4 meters, but prices can vary for custom sizes .
- **Coating and Finish:** Pre-galvanized trays are cheaper, while hot-dip galvanized (HDG) or powder-coated trays cost more but offer better durability in humid or coastal environments like the Maldives .
- **Supplier and Shipping:** Local suppliers in the Maldives, such as those listed by Asters Maldives, offer competitive pricing, but shipping and import costs can affect the final price .

Typical Costs

- **Wire mesh trays:** \$2-\$10 per meter for standard steel mesh suitable for lightweight cables .
