

Huawei Fiber Optic Panel Ac

Overview

Huawei eKitOptiX F1001-AC is an enterprise optical gateway. It supports Ethernet GE or XG-PON upstream transmission and implements all-optical gigabit access for enterprises. □ Automatic networking with optical APs, plug-and-play, supports Wi-Fi roaming, the. Product Installation Guide F1001-AC Scan the QR code to watch the video: Click to watch the video: (Video) F1001-AC Installation Guide Installation Guide: F1001-AC Quick Start F1001-AC Quick Start 2 Device Installation Videos Issue 04 (2024-09-20) Copyright © Huawei Technologies Co. F1001-AC is suitable for small and medium ONU through the PoF port. The remote ONU is not required. VPN access is implemented.
