

Huijue Distribution Box Fiber Optic Box

Overview

Huijue Communication Equipment specializes in producing ODN product series, including jumperless optical cross-connect cabinets, optical fiber distribution boxes of various core counts, optical cable joint closures, termination boxes, and other optical distribution network. Huijue Communication Equipment specializes in producing ODN product series, including jumperless optical cross-connect cabinets, optical fiber distribution boxes of various core counts, optical cable joint closures, termination boxes, and other optical distribution network. The 12-core metal fiber distribution box/box HJ-GF-KJW-12A adopts a welding and separation structure and has welding and wiring functions. Note: Specifications are subject to change without prior notice for product improvement. It is suitable for FTTH fiber optic home projects, residential. Supply High Quality Fiber Optic Components As a leading manufacturer and supplier of fiber optic components, we consistently provide high-quality fiber optic components, fiber optic active connectors, optical splitters, fiber optic adapters, fiber optic cables and other products. In fact, the fiber. It is suitable for metropolitan optical fiber access networks and FTTH/FTTB terminal optical fiber distribution. It is widely used in outdoor overhead and floor-standing installations to meet the needs of urban broadband, 5G fronthaul and other scenarios.
