

India Technical Support for Air-Cooled Switches SFP

Article Overview

Reliable technical support and sourcing for air-cooled switches and SFP modules in India are available through authorized distributors and enterprise networking solution providers.

Key Suppliers and Support Providers

- Net Global Solutions Net Global Solutions offers a wide range of enterprise-grade SFP modules (1G/10G/25G/40G/100G) and managed/unmanaged network switches. They provide technical support for installation, configuration, and troubleshooting, ensuring compatibility with Cisco, Arista, Juniper, and other major brands. Their offerings include fiber patch cables (single-mode and multimode), I/O modules, and enterprise access points, making them suitable for data centers, ISPs, and corporate networks (Net Global Solutions) .
- SYROTECH / IP Voice Technologies SYROTECH SFP modules are available through authorized dealers like IP Voice Technologies. They provide hot-swappable SFP transceivers compatible with GPON, EPON, and standard Ethernet networks. These modules support single-mode and multimode fibers, long-distance transmission (1-20 km), and high-speed data transfer. Technical support includes guidance on network integration, OLT/ONU compatibility, and media converter setup (IP Voice Technologies) .
