

Jordanian cable tray powder manufacturer

Article Overview

MASEICO (Al Masoudia Electrical Industries Co. Ltd.) is a leading Jordanian manufacturer of cable trays, ladders, and supporting materials, including powder-coated solutions.

MASEICO Overview

MASEICO, based in Amman, Jordan, specializes in manufacturing cable trays, ladders, supporting materials, cable glands, earthing, and lightning protection systems. The company serves industrial, commercial, petrochemical, power, and oil & gas projects across the Middle East. Their factory spans 10,000 square meters of production area and 5,000 square meters of storage, equipped with advanced CNC machines to ensure high-quality, durable, and customizable cable tray solutions. MASEICO products comply with international standards such as NEMA, BS, and IEC, ensuring reliability and safety for large-scale projects (Web results).

Product Features

- Powder-coated and galvanized cable trays for corrosion resistance and long-term durability.
- Customizable designs to meet specific project load and installation requirements.
- Complete cable management solutions, including ladders, supports, and accessories.
- Compliance with international certifications for industrial and commercial applications.
