

Lebanese optical cable protection pipe manufacturer

Overview

Established in 1969, The United Lebanese Plastic Industries (ULPI) is a family owned business. ULPI specialises in the production of UPVC pipes including waste discharge pipes, drainage and sewer pipes, pressure pipes, electrical and telecommunication cable ducts. We source, test, and deliver optical transceivers and cables that your network can count on, day after day. OptiLink was built on a simple belief: world-class fiber infrastructure shouldn't be reserved for the largest enterprises. We work directly with engineers, ISPs, and network teams across the. Welcome to the official website of Equiplast SARL, a Lebanese based manufacturer and trader of pipes, electrical tubes, electrical boxes and other related products. PVC telecommunication pipes at Haykal Plast range from 50mm to 100mm, and are. PE & PVC Pipes Technical info about our PE & PCV Pipes, for print use. Other Products Ribbons, Raw Material, Adhesive Tapes and Recycling.
