

Luxembourg Thermal Channel IP67

Overview

Boasting an IP67 waterproof rating, the fixture effectively stands up to heavy rain and muddy splashes, perfectly adapting to rugged outdoor mountain environments. Built for the toughest environments, the MultiTech Conduit® IP67 Base Station delivers secure, reliable LoRaWAN® connectivity for outdoor and industrial IoT deployments. Now, every unit ships with an industry-leading 5-year manufacturer's warranty, providing unmatched peace of mind and long-term. The enhanced Conduit IP67 solution can the MultiTech mDot™* and xDot®*. and Ethernet or optional 4G-LTE backhaul. Designed for private and enterprise networks, LENS provides a site-by-site user account and centralized management for LoRa® end devices, as well as configuration and control. LENS is a hybrid LoRaWAN® network management platform that enables deployment and management of LoRaWAN networks at scale. Also, depending on the model chosen, ranging from 2.
