

Mexican Fiber Optic Patch Cord Brands

Article Overview

Some notable Mexican manufacturers and distributors of fiber optic patch cords include OMC, FibraMarket, MaxFiber, and Fibremex.

Key Manufacturers and Distributors

OMC Cable & FTTH Products OMC is a leading Mexican manufacturer specializing in fiber optic cabling and FTTH solutions. They offer a wide range of products including bulk fiber optic cables, pre-connectorized patch cords, pigtails, and fiber management accessories. OMC emphasizes high-quality production, innovation, and timely delivery, making them a trusted partner for telecom providers, data centers, and enterprise networks . **FibraMarket** FibraMarket is a specialized distributor in Mexico with over 20 years of experience. They provide a broad selection of fiber optic products, including patch cords, jumpers, connectors, and fusion splicers. Their services include tailored solutions for telecommunications applications, ensuring competitive pricing and reliable performance . **MaxFiber** MaxFiber manufactures and distributes fiber optic equipment and materials, including patch cords, fusion splicers, and optical testing tools. They focus on high-quality telecommunications solutions and offer services such as fiber link characterization and installation of monitoring systems, supporting both enterprise and service provider networks . **Fibremex** Fibremex is a Mexican supplier and exporter of fiber optic patch cords and related tools. They specialize in manufacturing and exporting patch cords, providing technical support and a range of fiber optic accessories for network deployment .
