

Multi-coal terminal box

Overview

Multi Box for use in Group I mining (low impact areas), Group II and Group III applications. Raised lid facilitates connections to be made clear of the box base. We offer bespoke, custom-made terminal boxes and terminal box combinations, as well as standard products with short delivery times. Our enclosures are suitable for a wide range of applications and offer the best protection for electronics and technical equipment. All are RoHS, and REACH. This RM-VPR1 Remote Commander is dedicated to select Sony cameras and camcorders and allows various remote control operations to be performed without handling the camera, therefore eliminating camera shake and providing self-portrait and other control applications. When using the RM-VPR1 with most.
