

National Standard Cable Tray Brands

Article Overview

Top U.S. cable tray brands include MP Husky, Atkore, Snake Tray, Eaton, ABB, and Southwire, all offering products compliant with national and international standards.

Leading Cable Tray Manufacturers

Several manufacturers dominate the U.S. market for standard cable trays, providing a range of materials, finishes, and designs suitable for industrial, commercial, and infrastructure projects :

- MP Husky Cable Tray & Cable Bus – Known for high-quality steel and aluminum trays with ladder, ventilated, and solid-bottom designs .
- Atkore International – Offers galvanized, stainless steel, and fiberglass cable trays, widely used in industrial and IT infrastructure .
- Snake Tray – Specializes in modular and flexible cable management systems, including roll-formed and ventilated trays .
- Eaton – Provides a broad range of cable trays with compliance to NEMA and IEC standards, including fiberglass options for high-temperature environments .
- ABB – Offers pre-galvanized and hot-dip galvanized steel trays, as well as stainless steel options for corrosive environments .
- Southwire Company – Supplies ladder and ventilated trays suitable for heavy-duty industrial applications . Other notable brands include Chalfant Manufacturing, Creative Composites Group, PUPCO, SILTEC, Basor, and Legrand, which provide specialized solutions for different load capacities and environmental conditions .
