

Nepal Explosion-proof Distribution Box Manufacturer

Article Overview

You can source explosion-proof distribution boxes for Nepal from international and regional manufacturers specializing in certified, hazardous-location electrical equipment.

Key Manufacturers and Suppliers

- **Tengda Explosion-proof Technology Co., Ltd.** Tengda specializes in the research, design, and manufacture of explosion-proof electrical products, including distribution boxes, junction boxes, control boxes, and related accessories. They offer a wide range of specifications, support large-scale customization, and provide pre-sales and after-sales services to ensure compliance and operational efficiency in hazardous environments .
- **Warom Technology** Warom produces explosion-proof distribution boxes, control equipment, lighting, and motor switches. Their products comply with international standards such as IEC, ATEX, and IECEx, making them suitable for industries like petroleum, chemical, marine engineering, and mining . They offer various models including FXMD, HRD99, and BAY51-Q series.
- **CZ Electric Co., Ltd (CZ1290 Series)** CZ Electric provides customizable explosion-proof distribution boxes with modular designs, easy operation, and pre-wired internal systems. Their products are widely used in petrochemical, medical, food processing, aerospace, and military applications, and are exported to over 50 countries, including Southeast Asia .
