

OPPC fiber optic cable junction box accessories

Overview

What accessories come with the junction box?

Standard accessories include splice trays, cable strength member attachment plates, protection tubes, nylon ties, mounting kits, sealing materials, cleaning tissues, desiccant, and necessary hardware for installation and maintenance. The cables via optical fibers with a total diameter of about 300 microns. Straight joint boxes and termination units at the end points of the cable must ensure perfect transmittance joints are designed for maximum resistance to all external influences. Optical Phase Conductor (OPPC) insulators are designed to splice the optical fibres of the. Main products of the YOFC Company are Helical Tension Set, Helical Suspension Set for OPGW or for ADSS cable and OPPC, Connect Fittings, Optical Fibre Joint Box, Vibration Dampers, Protecting Fittings and different kinds of Link Hardware Fittings, etc. The offered tension clamp is suitable for the ADSS cable.
