

Outdoor power distribution box manufacturer in Denmark

Overview

At Triarca, we've been delivering power distribution solutions since 1959. Our first outdoor cabinets were installed in Denmark under the name Triax - and many of them are still standing. We equipped a truck with Elsteel technical solutions to create a mobile exhibition unit known as Techno Truck. With ambitious national goals to achieve a 70% reduction in greenhouse gas emissions by 2030 and complete carbon neutrality by 2050, the NKT is a prominent manufacturer of low, medium, and high voltage power cable solutions, specializing in innovative technologies for sustainable energy transmission since 1891. The company provides a comprehensive range of cables and accessories for various applications, including electrical. Könnér & Söhnen® Distribution Boards provide reliable connection for up to 7 groups of devices with a maximum current of 32A. Suitable for indoor and outdoor use.
