

Pakistan Waterproof and Explosion-proof Distribution Box Brands

Article Overview

Top brands for waterproof and explosion-proof distribution boxes in Pakistan include CNC Electric, Clopal, Himel, GA&DA, and Reliable Electric, offering IP65/IP66-rated enclosures for residential, commercial, industrial, and solar applications.

Leading Brands and Suppliers

1. CNC Electric – Offers waterproof and dustproof distribution boxes with IP65/IP66 ratings, made from high-quality ABS plastic or metal. These boxes are UV-resistant, durable, and suitable for outdoor and industrial environments. CNC Electric provides versatile sizes, secure locking mechanisms, and easy installation options for residential, commercial, and solar setups .
2. Clopal Electric – Known for a wide range of distribution boxes including metal and plastic enclosures. Clopal products cater to residential, commercial, and industrial needs, with options like 4-way and 20-22-way boxes. Their boxes are designed for durability, safety, and compatibility with solar systems .
3. Himel – Offers metal and surface-mounted distribution boxes such as the Himel HDPZ50, which are robust, impact-resistant, and suitable for high-demand industrial applications. Himel boxes combine aesthetics with functionality and are ideal for environments requiring enhanced protection .
4. GA&DA – Provides IP65-rated waterproof and heatproof distribution boxes made from high-strength polycarbonate (ABS). These enclosures are fire-resistant, thermally stable, and suitable for residential, commercial, and solar applications .
