

Papua New Guinea Outdoor Optical Cable Manufacturer

Article Overview

Cetelnet and Brilltech Engineers are key suppliers of outdoor optical cables in Papua New Guinea, offering both local manufacturing and international-grade fiber optic solutions.

Local Suppliers and Manufacturers

Cetelnet is a leading fiber optic supplier based in Port Moresby, providing a wide range of single-mode and multi-mode fiber optic cables suitable for outdoor, indoor, aerial, and underground installations. Their products meet international standards for durability, flexibility, and signal integrity, and they also supply patch cords, pigtails, and weatherproof splice enclosures for harsh environments. Cetelnet supports telecom carriers, ISPs, enterprises, and public institutions, making it a reliable source for outdoor optical cable needs. Brilltech Engineers Pvt. Ltd. is another prominent cable manufacturer in Papua New Guinea. They operate an in-house manufacturing unit capable of producing customized electrical and optical cables with high precision. Their offerings include outdoor power panels, LT distribution panels, and electrical transformers, alongside premium-grade cables suitable for challenging environmental conditions. Brilltech also exports to other countries, demonstrating their capability to meet international quality standards.

International Brands with Local Distribution

Several global companies supply optical cables to Papua New Guinea through local distributors:
