

Price List for Waterproof Distribution Boxes

Article Overview

Waterproof distribution boxes typically range from \$10 to \$150 or more, depending on size, material, and IP rating.

Price Range and Factors

- Small plastic or PVC boxes (compact, single-door, IP65) generally cost \$10-\$30 and are suitable for basic outdoor or residential applications .
- Medium-sized DIN rail or multi-terminal boxes (AT or HT series, IP65-IP68) are priced around \$30-\$80, offering more internal space and better cable management for industrial or solar installations .
- Large or heavy-duty boxes (double-door, smart PVC, or stainless steel, IP66) can range from \$80-\$150+, often used in commercial, industrial, or critical infrastructure settings .

Material and Design Impact

- Plastic (ABS/PC): Lightweight, UV-resistant, and cost-effective; ideal for residential and light industrial use .
- PVC: Durable, weatherproof, and resistant to chemicals; commonly used in commercial and industrial applications .
- Stainless steel (304/316 grade): High corrosion resistance and strength; suitable for harsh environments, but more expensive .

Additional Considerations
