

Price of Single-Mode 8-Core Armored Optical Cable

Article Overview

The cost of a single-mode 8-core armored optical cable typically ranges from \$2 to \$7 per foot, with variations depending on supplier, construction, and additional features.

Pricing Overview

Single-mode fiber optic cables, especially armored types, are priced based on construction, application, and features. Bulk armored cables generally cost between \$2.00 and \$7.00 per foot, with pre-terminated or specialized armored versions potentially higher due to added durability and installation convenience (Aimifiber) .

Product Examples

- HES 8-Core Steel Armored Fiber Optic Cable (SM 9/125 μ): Features a single tube, steel armored design, and single jacket for durability and easy installation. Suitable for long-distance transmission, industrial networks, data centers, and CCTV systems. Pricing depends on length and supplier stock (Fiber4U) .
- OCC 8-Strand Tactical Single-Mode Cable: Designed for ruggedized military or field applications, priced per foot, with preparation time of 24 hours for custom cuts (CablesPlusUSA) .
- Starlight SWA 8-Core OS2 Single-Mode Armored Cable: Heavy-duty armored cable suitable for direct burial, tunnels, and harsh environments. Features steel wire armoring, aramid strength members, and LSZH sheathing for moisture and rodent protection (Connectec UK) .
