

Price of Trapezoidal Cable Trays in Bahrain

Article Overview

Trapezoidal cable trays in Bahrain typically cost between \$10 and \$25 per meter, depending on material, coating, and supplier.

Price Range and Factors

The cost of trapezoidal cable trays varies based on several factors:

- **Material:** Galvanized steel is common and cost-effective, stainless steel is more expensive due to corrosion resistance, and aluminum is lightweight but pricier .
- **Coating:** Hot-dip galvanizing (HDG) and powder coating increase durability and price, while pre-galvanized trays are cheaper but less resistant to corrosion .
- **Size and Load Capacity:** Wider or thicker trays designed for heavy cables cost more. Trapezoidal trays are often priced higher than perforated or wire mesh trays due to their structural design .
- **Supplier and Quantity:** Bulk orders can reduce per-meter cost. Local suppliers in Bahrain include Bahrain Switchgear & Lighting Industries (BSLI), Ameeri Stores W.L.L, and Jeetmull Jaichandlall, which offer competitive pricing and delivery .

Local Supplier Insights

- **BSLI:** Offers a range of cable trays and trunking with modern manufacturing and competitive pricing. For exact quotes, contacting their sales team is recommended .
