

Prices for internal and external network racks

Overview

The good news is that network cabinet prices range from as low as \$100 for basic wall-mounted units to over \$3,000 for specialized outdoor models. However, understanding what drives these costs will help you make a smart buying decision. Additionally, these specialised enclosures protect servers, network devices, and other components from damage, dust, and unauthorised access. An enclosed server cabinet has shelves with front and rear doors and side panels. RackCom offers diversified collections of Server Grade standards, guaranteed to suit your style and spacial needs in every single situations. Welcome to visit our Show Room. Whether you need a single rack at home or a thousand in a data center, you'll find the best that money can buy right here. ▼ How much U space do I need?
