

Procurement of Fiber Optic Connectors in Eastern Europe

Article Overview

Fiber optic connectors in Eastern Europe can be procured through specialized distributors, B2B suppliers, and public tenders, with strict adherence to EU regulatory standards.

Key Suppliers and Distributors

Several European suppliers provide fiber optic connectors suitable for Eastern European projects:

- TTI Europe offers a wide range of ECIA-authorized fiber optic connectors with inventory, pricing, and datasheets for major brands, making it a reliable source for procurement teams .
- Mouser Europe provides a large selection of fiber optic connectors, including detailed specifications, pricing, and datasheets, supporting both small and large-scale projects .
- Fiber Products specializes in modular fiber optic interconnect components, including connectors, DIN rail boxes, and splice enclosures, with custom B2B solutions and a 5-year warranty for European markets .

Regulatory Compliance

Procurement in Eastern Europe must comply with European Union regulations:

- CE Marking ensures conformity with EU directives, including Low Voltage and EMC Directives.
