

Qatar Optical Cable Sheath Material Manufacturer

Article Overview

Key manufacturers and suppliers of fiber optic cable sheath materials in Qatar include Al JASSRA Fiberplast, Al Mazrouei ICAS WLL, and New Falcons Glass Fiber.

Leading Manufacturers

Al JASSRA Fiberplast specializes in fiberglass products and advanced manufacturing processes suitable for fiber optic cable sheaths, ensuring high-quality production and compliance with international standards. Al Mazrouei ICAS WLL offers a diverse range of fiber optic cables and passive network solutions, including sheath materials, supporting projects across Qatar and the GCC. New Falcons Glass Fiber manufactures fiberglass reinforced plastic (FRP) products, including GRP cable trays and custom solutions for indoor and outdoor applications, which are relevant for protective cable sheaths. Falcons Fiber India produces handcrafted FRP and lightweight polymer products, which can be adapted for fiber optic cable sheaths and related protective applications.

Additional Suppliers and Distributors

Companies like Electra, Digital Forge, and Zayn Software WLL supply fiber optic cables with various sheath types, including PVC, PE, LSZH, and armored options. They provide both single-mode and multi-mode cables suitable for telecom, industrial, and data center applications. Cabtech Qatar also distributes electrical and mechanical products, including fiber optic components, which may include sheath materials for specialized projects.

Considerations for Selection
