

Syrian Grid Cable Tray Price Inquiry

Article Overview

Syrian grid cable tray prices vary depending on material, size, and supplier, with bulk quotes available from verified manufacturers and distributors.

Suppliers and Manufacturers

Several Syrian companies and distributors provide cable trays suitable for industrial and commercial projects:

- **Union Electric Group (UEG Cables):** Based in Adra Industrial Zone near Damascus, UEG produces high-quality power cables and cable management solutions compliant with international standards (IEC, BS, NF, VDE). They offer products for local and regional markets and can provide customized solutions for grid cable trays .
- **Syria Cables:** Established in 1991, Syria Cables manufactures low- to medium-voltage electrical cables and related cable management systems. They focus on durable copper and aluminum solutions and can support industrial, residential, and commercial projects .
- **International Suppliers:** Platforms like Go4WorldBusiness and Europages list Syrian cable tray suppliers, including galvanized and steel options. These suppliers often provide bulk pricing and can be contacted directly for quotes .

Factors Affecting Price

The cost of Syrian grid cable trays depends on several factors:

- **Material:** Steel, galvanized steel, aluminum, or PVC trays have different price points. Galvanized steel is commonly used for durability and corrosion resistance.
