

# Tanzania New Power Distribution Box Company

## Article Overview

Tanelec Limited, ETDCO, and Thornlux International are leading providers of power distribution solutions in Tanzania.

### Tanelec Limited

Tanelec Limited, headquartered in Arusha, Tanzania, is a prominent manufacturer of distribution transformers, power transformers, electrical switchgear, metering units, and line materials serving East and Central Africa . The company produces distribution transformers up to 36 kV, with ratings from 5 kVA to 20,000 kVA, and has a manufacturing capacity of 14,000 units per year. Tanelec also offers refurbishment and repair services, handling up to 500 transformers per month. It is ISO 9001:2015 and ISO 14001:2015 certified, ensuring high-quality standards . Tanelec operates regionally with facilities in Uganda, Kenya, and Zambia.

### ETDCO (Electrical Transmission & Distribution Company Limited)

ETDCO provides electrical engineering services for transmission and distribution networks up to 220 kV . Their services include planning, analysis, design, construction, and maintenance of power distribution systems. ETDCO is recognized as a premier power solutions provider in Tanzania, delivering reliable electrical infrastructure and innovative energy solutions across East Africa .
