

What are some Estonian manufacturers of logging fiber optic cables

Article Overview

Key Estonian manufacturers and providers of fiber optic cables include Fineltec, Astrec Baltic, ETK Kablo, A-Kaabel, and Estonian Fiber.

Notable Companies

Fineltec specializes in manufacturing fiber optic products and solutions for the telecommunications industry, offering a variety of multifiber cables including singlemode, multimode, and hybrid types. They provide high-quality manufacturing services and advanced technologies for efficient and reliable connectivity . Astrec Baltic focuses on fiber optic and telecommunication network infrastructure components. They supply a wide range of products for fiber optic installers, including infrastructure components and measurement solutions, and provide training to ensure high-quality installation and maintenance . ETK Kablo is part of the ETK Group and manufactures fiber optic cables along with other telecommunication and infrastructure cables. The company emphasizes quality and uses computer-aided machinery and experienced personnel to meet international standards . A-Kaabel specializes in the installation of fiber optic cables and high-speed data networks. They offer comprehensive services including cable laying, overhead and underground installation, testing, and maintenance, with up to 10 years warranty on installation . Estonian Fiber provides fully digitized network planning and deployment of fiber optic networks for residential and commercial customers. While primarily focused on network planning and installation, they are a key player in the Estonian fiber optic sector .
