

Where are the factories in Ethiopia that manufacture fiber optic cables

Article Overview

Ethiopia has several factories producing fiber optic cables, notably BMET Energy Telecom Industry and Trade PLC and El Sewedy Cables Ethiopia Plc, both located in Addis Ababa.

Key Manufacturers

BMET Energy Telecom Industry and Trade PLC is one of the largest cable manufacturing investments in Ethiopia. The company produces a wide range of electrical and telecom cables, including fiber optic cables, using modern production lines and global manufacturing standards . Their facilities are designed to deliver high-performance cables suitable for various industrial and communication applications. El Sewedy Cables Ethiopia Plc, an affiliate of the international Elsewedy Group, manufactures single and multiple core electric power cables, telecom and data cables, and fiber optic cables. Their operations are based in Addis Ababa, near the Addissinia Hotel, providing easy access to major transport and business hubs . The company adheres to international quality standards and is ISO 9001:2008 certified.

Other Fiber-Related Manufacturers

While not all specialize exclusively in fiber optic cables, several Ethiopian companies produce fiber and fiber products that may include components for fiber optic applications. These include:

- Ethiopian Fiber Products Factory
- Fiber Tech Fiber Glass
