

Where can I find cable trays in North Korea

Article Overview

Cable trays for North Korea are primarily listed through international trade databases and suppliers, but direct commercial transactions are restricted due to sanctions.

International Suppliers and Trade Data

North Korea has exporters of cable trays, with an average export price reported at around \$206.24 per unit. There are over 2,600 exporters and approximately 2,478 importers listed in trade data, which includes shipment volumes, major ports, and monthly trends (Zauba) . Heavy tray type cable trays are also tracked through global supply chain platforms, providing insights into manufacturers, trading partners, and shipment activities .

Manufacturers and B2B Marketplaces

Several international companies produce cable trays suitable for industrial and construction use, which have been associated with North Korean orders in trade reports. Examples include:

- EASYCONNECT: Durable mesh cable trays with secure installation systems .
- Emit Metal Elektrik Imal. Taahhut San. Ve Tic. Ltd. Sti (Turkey): Produces metal cable trays, ladders, and trunking systems .
- Eurotray and MIL-KABEL-SYSTEMS GmbH: Offer industrial and military-grade cable management solutions .
