

Which company offers the best fiber optic cable in Burkina Faso

Article Overview

Bridge Fiber Solutions (BFS) is the primary local operator in Burkina Faso, while ZORA and TS Cables are top international manufacturers serving African markets.

Local Option: Bridge Fiber Solutions (BFS)

BFS is the government-approved operator responsible for managing Burkina Faso's national telecommunications backbone, which spans 3,000 km of optical fiber connecting all 45 provinces . BFS provides services such as capacity rental, dark fiber, wavelength leasing, sheath rental, and Internet access . Choosing BFS ensures compatibility with the national infrastructure, regulatory compliance, and access to local technical support. BFS is particularly suitable for companies or public institutions seeking reliable, government-endorsed fiber solutions.

International Manufacturers Serving Africa

- ZORA ZORA, a Chinese manufacturer under Changzhou Shenghao Intelligent Technology Co., Ltd., is recognized for its extensive African presence and end-to-end fiber optic solutions . They offer single-mode fibers, bend-insensitive cables, patch cords, pigtailed, enclosures, and MPO backbone cables. ZORA emphasizes high-quality production, factory-direct pricing, and 24/7 technical support, making it ideal for large-scale projects or data centers in Burkina Faso.
