

Which manufacturer makes an 8-port Huijue terminal box

Article Overview

Shanghai Huijue Network Communication Equipment Co., Ltd manufactures the 8-port Huijue terminal box.

The 8-port Huijue terminal box, model HJ-GF-KSW-8A, is produced by Shanghai Huijue Network Communication Equipment Co., Ltd, a leading manufacturer and solution provider for telecom and communication products . Established in 2001, the company is headquartered in Shanghai, China, with an R&D center, technical center, and prototype department covering over 10,000 square meters. They also operate a mass production factory in Jiangsu province spanning 50,000 square meters, specializing in metal precision production, cabinet assembly, and optical fiber products .

Company Overview

Huijue Network is a high-tech service provider integrating intelligent network communication equipment and system integration. They have 6 wholly-owned subsidiaries and 3 production bases, with a total area exceeding 100,000 square meters and thousands of employees . The company manufactures a wide range of fiber optic components, including fiber terminal boxes, optical splitters, adapters, and cables, and offers OEM/ODM services for customized solutions .
